

SEASONAL SUPPER

Saturday 24th
September
7.30—9pm
Gardeners' Hall,
Windsor

Courgettes going crazy? More beans than you know what to do with? Stuck in a recipe rut or just struggling with a glut?

Come and join us for a fun and sociable evening, try other people's edible creations and pick up the recipes you like.

The seasonal supper will be a celebration of allotment produce as well as the opportunity to share ideas on how to use what you grow. A pot-luck supper with food made from allotment produce with each person contributing something; it could be a main course, dessert, cake, bread or preserve.

The supper is free to attend, but places should be booked in advance: bring along a dish and the recipe and be prepared to share! It might not form a coherent meal but it will be a fun evening with a bar and quiz.

To book a place, please email harriet@thehungrysparrow.com or call 07905 380275
